Dear Professor Lederberg:

This is to acknowledge and thank you for your recent note requesting four copies of the hearings on "Chemical-Biological Warfare: U.S. Policies and International Effects."

I was pleased to hear from you and appreciate very much, as does Chairman Zablocki, your kind remarks about the hearings. Your participation in them added greatly to their success.

By now you may have already received the additional copies of the hearings. Although the supply is limited, we are still making the volume available to the public and to scholars.

With best wishes, I am

Sincerely yours,

John H. Sullivan,
Staff Consultant.
